### [Agriculture and Farming](#)

How to Design a Small Farm. Design and Plan Your Small Farm and Homestead

### [Teaching Aids at Low Cost \(TALC\)](#)

A unique charity whose main objective is to promote the health of children and advance medical knowledge and teaching by providing and developing educational material.

### [Encouraging Personal Hygiene and Sanitation \(Tearfund\)](#)

This Guide helps communities to consider improving their lifestyle to reduce disease and infection. Promoting effective and low-cost sanitation, encouraging good hygiene and improving access to clean water supplies helps people to live healthier lives.

### [Academic Earth](#)

Free advanced educational lectures online

### [Small Farm Resources](#)

A range of publications and ideas for small farmholders

### [Tearfund - Pillars](#)

The guides are designed for use in small community groups such as youth groups, church groups, women's groups, farmer groups and literacy groups. A trained leader is not required, just one literate person. The guides aim to increase the knowledge, skills and confidence of group members by drawing out and building on existing knowledge and experience, and empowering members to take charge of their own development.

### [Sussex to Africa](#)

A collaborative network of people and organisations designed to link Sussex to all things African at home and abroad.

### [Christian Enterprise Video](#)

You may find this 6 minute video by Wayne Myers of New Venture Lab helpful. It advises on many aspects of starting a Christian business.
